dear Twitpic community, thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state, the importance of teaching academic vocabulary.

Vocabulary instruction is essential to effective math instruction. Not only does it include teaching math specific terms such as percent or decimal, but it also includes understanding the difference between the mathematical definition of a word and other definitions of that word. New criticism, a literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
