English grammar is the way in which meanings are encoded into wordings in the English language. This includes the structure of words, phrases, clauses and sentences, right up to the structure of whole texts. There are historical, social, cultural and regional variations of English divergences from the grammar described here, which occur in some dialects. Stative verbs or state verbs are a relatively small group of verbs which describe states rather than actions and so are in contrast to dynamic or action verbs which form the vast majority of verbs. The tables show the main patterns used for over 400 of the most common verbs when one verb follows another. They also list verbs which can commonly be followed by a that clause as well as one or two other patterns. Millions pledged to rebuild Notre Dame artworks saved as fire is finally extinguished. Updated the roof and spire of Notre Dame were destroyed last night in the worst fire in its 855 year, 2009. A place to ask for help on finding quotations, etymologies or other information about particular words.
