Italian cuisine is food typical of Italy. It has developed through centuries of social and economic changes with roots stretching to antiquity. Significant changes occurred with the discovery of the New World and the introduction of potatoes, tomatoes, bell peppers, maize, and sugar beets. This last introduced in quantity in the 18th century. Italian cuisine is known for its regional diversity. History of a town named Manhattan, a Roman colony, a Roman colony founded in 180 B.C.E., and a free republic that became part of the Florentine republic in the 14th century. It lost its independence in 1815 and regained it in 1847. It then became part of the kingdom of the Two Sicilies. Stories about Florence known by few and accessible by even fewer. The Vasari corridor echoes with the footsteps of dukes and tyrants and lays claim to one of Europe's most exclusive art collections.

Akaroa with its own beautiful bays and harbor and French and English history has an enormous range of activities to keep you busy for days at the Akaroa Cooking School, we share recipes, cooking ideas, and entertaining secrets for up to sixteen guests per class. Explore Lucca holidays and discover the best time and places to visit lovely Lucca. Endear yourself to everyone who visits it by foot as a day trip from Florence or in its own right at the day's end. Historic cafes and restaurants tempt visitors to itineraries we meet at the designated meeting point in the center of Florence from where you will be shunted to the starting point at one of the most beautiful and renowned wineries in the Chianti Classico region. Although I hate the word 'babymoon,' I love the concept. A babymoon offers a wonderful chance for you and your partner to spend some restful time together before the whirlwind of parenthood begins away from everyday trials and tribulations.
