**Word Choice: Congratulate for vs Congratulate on**

April 18th, 2019 - According to Oxford Dictionaries Online, the verb congratulate collocates with both prepositions but the meaning is slightly different. When you congratulate someone on something, you give them your good wishes because something special or pleasant has happened to them, e.g., I'd like to congratulate you on your marriage. When you congratulate someone for something, you praise them for an achievement or accomplishment.
