Long Distance Relationship 1000 Questions

long distance relationships are plagued by far more problems than the gut-wrenching pain of separation itself. In fact, research has shown that distance isn’t the hardest part of a long distance relationship at all. The real challenge implicit within the long distance equation is the 100 questions for couples: 1. What was the first thing that attracted you about me? 2. Do you think that physical attributes are more important to maintaining a successful relationship or do you think that friendship maintains a relationship? 3. When you look at a woman, what is the first thing you notice? 4. Comments: Today I am so excited to welcome Lisa McKay to the blog. She’s got a wealth of knowledge to share with folks in long distance relationships and a life that makes even the most traveled among us a tiny bit envious. She is the author of the book “401 Great, 1000 Questions for Long Distance Relationship Couples” by Michelle F. Submitted on February 24, 2009.
