Lonely Planet Hong Kong is your passport to all the most relevant and up to date advice on what to see, what to skip and what hidden discoveries await you. Hop aboard the Star Ferry for glittering city views, have your fortune told at an ancient temple or listen to Cantonese opera. Lonely Planet Hong Kong will get you to the heart of Hong Kong with amazing travel experiences and the best planning advice.

Lonely Planet Pocket Hong Kong is a colourful, easy to use and handy guide that literally fits in your pocket. It provides on the go assistance for those seeking only the cant miss experiences to maximise a quick trip experience. It's your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you.

Visit Hong Kong, one of the best things to do in the city is to follow the Ping Shan Heritage Trail. It's a 1.6 km trail which passes by historic buildings and monuments well worth doing.

Lonely Planet Hong Kong is one of the most comprehensive guides available. The authors, Piera Chen and colleagues, provide a wealth of local knowledge and insider tips. Each chapter is well-structured and easy to follow. The maps are clear and the photos are attractive, making it a pleasure to use.

However, some readers have found the descriptions to be overly concise, limiting their usefulness. The guides are written by a single author, which may contribute to this.

Overall, Lonely Planet Hong Kong is a great resource for travelers planning a trip to Hong Kong. It provides a wealth of information and is well-organized and easy to use.
