View on Amazon.com before you move beyond greetings, here is a tip for learning the words and phrases in this post. The best way to study them is to hear them in use and the best place to find authentic videos hand-picked for learning Spanish is Fluentu. Fluentu takes real-world videos like music, videos, commercials, news, and inspiring talks and turns them into Spanish-learning experiences. It doesn't take much to be understood in Spanish.
who speak it in Latin America and Europe are forgiving of errors and very helpful. A combination of sometimes silly pantomime and Spanish basic words and phrases are what you need most to travel in a Spanish-speaking country. Long and short vowels. Thai has long and short vowels but this is a completely different use of the words long and short than the one you learned in English grammar school. For example, when your primary school teacher told you that pet is short and Pete is long because they added a silent e, you must forget all that English nonsense. Ok, most of you probably have anyway.
