May 15, 2017 at 8:00 A.M. On May 15, 2017, David L. Patterson called the meeting to order at the Board's office in Baton Rouge, Louisiana with the following members present: present, a. The Louisiana Professional Engineering and Land Surveying Board is hereby created whose duty it shall be to administer the provisions of this chapter. The board shall consist of eleven members, nine of whom shall be licensed professional engineers and two of whom shall be licensed professional land surveyors. As part of the application process, the Louisiana Professional Engineering and Land Surveying Board shall obtain a consumer report which I understand may include information regarding my credit worthiness, credit standing, credit capacity, character, general reputation. We also provide continuing education to other professionals such as land surveyors, architects, contractors, geologists, and landscape architects. We also serve live PDH webinars and live PDH seminars. They are also accepted for PE professional engineering license renewal with the state board of professional engineers. Please note we are a service company that can help you file with the Louisiana Professional Engineering and Land Surveying Board. We are not associated with this nor any other government agency.

Established in 1908, we are the second oldest licensing board of its kind in the country. One of our very own, Marcel Garsaud, a civil engineer from New Orleans served as the first president of NCEES National Council of Examiners for Engineers and Surveyors.

Requirements of the Louisiana Professional Engineering and Land Surveying Board must be met and the prime consultant shall be registered with the federal government using SAM.gov at the time of submittal. One prime consultant will be selected for each contract. Learn about working at Louisiana Professional Engineering and Land Surveying Board lapels.
