If you're having trouble with knitting needles or just want to learn a new knitting technique, a round knitting loom is a very easy way to make a knitted hat perfect for a cold winter. Give it a try! When we got our rainbow loom back in September 2013, we started out with the single and the fishtail pattern. Once we mastered those, we searched YouTube for easy bracelet tutorials but we quickly discovered that most patterns weren't labeled so it was impossible to know if they were suitable for our skill level. As a result, we had to fumble our way through some difficult patterns which, loom and the different parts that make up the knitting loom, are worth learning. We will get some yarn and learn the basics of round loom knitting. Although we will be concentrating on knitting in the round, the same knitting loom can be used to knit flat panels to create items like scarves, blankets, and even sweaters.
